

# everyone needs coffee!

## fundraising with ethical bean coffee fairtrade certified. organic. locally roasted.

There's no better way to fundraise than with fresh, locally roasted, fairtrade certified organic coffee. Selling our coffee means you are not only helping your organization - **by earning them over \$5 per bag** - you're also helping our environment and providing a living wage to coffee farmers across the globe.

### Here's how to do it:

- 1 Use your **Fundraising Form** to collect orders and take payment. It's a good idea to have a copy of **Our Offerings** sheet so customers can learn more about each roast.
- 2 Once you've collected your orders, give them to your **Team Leader** to tally up. The Team Leader will then fill out the **Team Leader Order Form** and fill out credit card information for prompt shipment.
- 3 The **Team Leader** will send the order to Ethical Bean by fax: 604-431-3834 or by email at [orders@ethicalbean.com](mailto:orders@ethicalbean.com).
- 4 Your coffee order will arrive at the location of your choice in **3 business days!** Freshly roasted and ready to be enjoyed!

If you'd like to find out more about fairtrade or about Ethical Bean Coffee, please visit our website.  
We have lots of great information on there to share with you: [www.ethicalbean.com](http://www.ethicalbean.com)
