Vendor application. Policy and Procedures

Thank you for your interest in becoming a vendor at Heal The Planet Farmers Market in Snyder Park.

**Before filling out this application be sure to read the following:**

### **VENDOR PRICES & AMENITIES**

- Vendor Fee \$50 (promotional price for a limited time)  
10 x 10 Space (tent not included)

**Electrical Hook-up** – Please contact us if you require this amenity.

### **GENERAL RULE AND REGULATIONS**

1. Only vendors who have registered, submitted their contract, and made their payment will be qualified to sell at the Heal the Planet Farmers Market in Snyder Park.
2. The vendor recognizes that the Festival Management, or another representative, may visit the vendor's space for reasonable inspection to determine whether the vendor is in compliance with farmer's market rules & regulations.
3. Prices of products/items must be clearly posted.
4. Packaged and processed products must be labeled with the name of the farm or producer, the address, and the weight of the contents.

**RESERVATIONS AND NO-SHOWS:** If a vendor fails to either cancel at least 24 hours before the market begins or appear on the day of the market the vendor is considered a "no-show." Regardless of no shows or

cancellations, no refunds will be provided. All Vendor payments will be considered as donations to the non-profit.

5. Vendor Space Assignment:

- Vendors must accept vendor space assigned by Farmer Market management.
- In order to participate on the day of the Farmer Market, vendors are required to arrive no later than the time specified to set up their tables and tents.
- A space that has been reserved and paid for by a vendor will be released and filled by Farmer Market management 1hr. before the Farmer Market begins.
- Late arrivals will be subject to placement at Farmer Market management discretion or may be denied entry.
- Vendors must maintain their vendor space in sanitary conditions. Each vendor is responsible for removing containers and waste before leaving the Farmer Market.

6. All vendors must comply with all applicable Federal, State, and Local laws.

7. If a Farmer Market manager or representative, in good faith, verifies that a vendor has violated the conditions of the permit to sell, a Farmer Market management representative may immediately expel the vendor from the festival.

## **SAFETY/HEALTH GUIDELINES**

Heal The Planet Farmer Market in Snyder Park is conducted in accordance with State and Federal laws and local ordinances.

Vendors will immediately comply with the Farmer Market guidelines in matters relating to safety.

No display tables may be filled over carrying capacity; items on display must be stable; table legs must be secure, and table must not cave in.

All boxes or crates of produce and other food products must be kept 6" off the ground.

All vendors shall keep their vehicles, merchandise, and tables within marked spaces or as the Farmer Market manager designates. Pedestrian flow may not be congested due to a vendor's setup.

All vendors must obtain and display all necessary permits.

SAMPLING-All vendors offering samples must be in compliance with the following rules:

1. Keep samples in clean covered containers. Clear containers with hinged lids or plates with clear dome covers are acceptable.
2. Use clean disposable gloves when preparing produce for samples. Samples must be washed or cleaned of any soil or other material so as to be safe for consumption.
3. Utensils and cutting surfaces must be washed and sanitized.
4. Wash water for food and food contact surfaces must be from an approved source. Wash water and /or wastewater must be disposed of in a sanitary manner.
5. Leak-proof garbage receptacles with close-fitting lids must be at each stall for the disposal of food waste and rubbish.

Please contact Farmers Market Management for further information regarding your application.

#### COVID-19 Food Vendors Guidelines:

Whenever possible, use disposable (and when possible, biodegradable) food service items (utensils, dishes, cups, etc.) and single-serving seasonings and condiments to avoid customers sharing such items. If disposable items are not feasible, ensure that all non-disposable food service items are handled by staff only with gloves and are washed in between each customer usage with dish soap and hot water, or in a dishwasher. Avoid using food and beverage utensils or equipment brought in by customers.

Use touchless payment options whenever available.
